12/4/18

Ethan,

Got your letter yesterday dated 11/25/18. Sounds like your improving on your PT test Requirements, good job!

I never had an MRE but it sounds like there pretty good. Our Sea Rations was a can of what ever, a can of some fruit, crackers & 3 Cigerettes.

Pretty Cool your drill sargent & company Commander served you Thanksgiving dinner.

Don't worry about marching a long distance with a full back pack, its tough but they will stop a few times so you can Rest & catch your breath.

The Army showed you guys throwing hand gernades on the web site this morning, how did you like it. If you are Reading this letter you evadently didn't drop it - Lol.

I'm going to make this a short letter, your Mom has a list of Shit I have to do today so I better get started.

We all love you very much & are looking forward to seeing you.

Take Care were proud of you!
